Dear Friends,

You are making it possible for us to enhance the lives of those affected by Alzheimer's and related dementias – providing critical support for families and caregivers. Thank you for your generous gift of \$333.82.

We could really use your help in the coming weeks during **September - World Alzheimer's Month**. This is a time to shine a purple light for the 35.6 million people globally afflicted with Alzheimer's. We need your help to mobilize friends, families, neighbors, co-workers and customers to help bring an end to Alzheimer's disease.

**Will you commit to going purple during World Alzheimer's Month?** By partnering with us in this effort, your company, church or club will be a leader, having a profound impact on a disease that kills more Americans than breast cancer and prostate cancer combined.

We ask you to join the Alzheimer's Association in shining a light on this disease, advancing cutting-edge research, reducing the risk of dementia and reaching out to the millions of caregivers who work around the clock every day of the year to care for a person with Alzheimer's. **See the enclosed for more details about how you can get involved.**

By taking action today, we can provide hope for millions. Hope for a brighter tomorrow. Hope for a treatment. Hope for a cure. **The end of Alzheimer's starts with us.**

We are so grateful for you,

Lynn Mallowney  
Vice President of Development
